| Approved/Rejected: _____ 20____ | Building Permit #: _____ |

Section 1: Instructions

This Notice must be completed (typed or written in ink) and submitted along with the Building Permit Application to obtain a building permit for any planned truss type construction, pre-engineered wood type construction, and/or timber construction. Upon acceptance of this Notice, the applicant must identify the structure with a sign or symbol as required by State and Village law. For further information, please review the Notice of Utilization Information Sheet document.

This application must be completed by the Owner of the property on which the work is to occur, or by a duly authorized representative of the Owner of the property. In submitting this application, the applicant swears that any and all information and or statements contained herein are true to the best of the applicant's knowledge. Any information that the applicant has set forth in this application that is false or misleading may result in the rejection of the application. Construction authorized by this permit must always comply with the plans as approved by all applicable government agencies.
